### A gift worth receiving

Signs of love and good cheer are abundantly clear for us throughout this holiday season. But how much are we actually attuned to the signs of love that God, our family, and friends are giving us? Although "it is better to give than to receive," it is also good for us to be able to receive what others are giving to us. Even more importantly, do we take time out of our busy schedules to ponder what God gave to us this Christmas season? What could be more precious than the gift of His Son? It was a gift of life not just a one-time gift that is shoved in the closet, but one that can grow and be passed on to others. This Advent let the gift of God's love multiply in your heart and joyously receive all that He has prepared for you.

A reminder that CWL Memberships 2012 Memberships will be on sale in January. The dues are now \$31/year.
