Lost, or found?

The scene in Matthew 2:1-12 has popularly been called the Epiphany, which means "showing." Why "showing"? Because God revealed, He showed divine love to humanity through Jesus Christ. And while many of us are not familiar with the definition of Epiphany, we know the story perhaps a little too well. This story of the three magi visiting Jesus has ceased to challenge or inspire our Christian walk. Yet the story has much to teach us. The magi sought, and were humbly led, to give homage and honor to Jesus. Today our modern minds lead us in exactly opposite direction. We seek peace and fulfillment through our technology, ingenuity and knowledge. We rely on skill and science, failing to recognize our dependence on God. We have forgotten humility, we have lost our seeking hearts. We no longer seek, we no longer find. God shows, but we no longer look. Make this Epiphany a day of new searching. Look deep into your hearts for God's presence, and if you cannot find him there, set out on a journey anew.

CWL Memberships

Membership fees for 2012 will be taken before and after masses this weekend and on the weekend of the January 14/15, the fees are \$31/year. The Catholic Women's League of Canada is one of the largest women's organizations in Canada and when we present our resolutions to Federal and Provincial Governments numbers count. We encourage all ladies in the parish to take out a membership and add your voice to ours.

Hospital or Home Visits

Please let the parish office know if a friend or family member is in hospital or needs a home visit.

Tax Receipts

If you have had a change of address in this past year, please let the office know so that tax receipts can be printed with the correct address.

Baptismal Preparation

If you are planning on having your child baptized please contact the Parish Office. Baptisms are performed on the 2nd Sunday of each month. A Baptismal course is required prior to having your child baptized. The course may also be taken while you are waiting for the birth of your child. For more information please contact Sr. Connie at (250)782-3456.

Baptism of the Lord

One of the easiest ways to kill enthusiasm is to demand it. When we try to force our views on others, they immediately "shut down", hearing little and caring less. People want to be shown a path, not shoved down it.

How well Jesus knew this. He could easily have published a list of must-dos and expected His young flock to abide by them. Instead He simple lived. He manifested His faith in every action, living a true belief before whoever happened to be watching. And this simple manner of doing, not dictating, drew people to Him. When Jesus stepped into the river Jordan to be baptized Himself, that simple act of faith taught more about humility and faith than any hundred sermons could.

As you carry your Christian witness into the world this week, ask yourself: **am I living the faith I speak about? Can people see Jesus in my steps, hear Him in my words? Am I doing or dictating?**
